ABOUT OUR SUSTAINABLY CURATED MENU

From locally brewed beers, to products that 'give something back' to a good cause, the Vegan Garden Bar menu has been consciously curated so that together we can do our bit. Read on to find out more about our carefully selected suppliers.

NORA AND MAMA

Nora and Mama - an independent artisan van bakery located in the heart of Camden.

SOHO NUTS

Sourced from Soho, London, these spicy nuts don't have far to travel which all contributes to being sustainable.

LONDON BOHEMIAN LAGER

The local London beer factory created this artistic beer based on the unconventional bohemianism lifestyle.

BREWGODDER LAGER

Provides clean water for 1,000,000 people by donating all profits to clean water charities.

3 WEISS MONKEYS IPA & WHEAT BEER

A London Field Brewery creation with the aim of helping others. This local brewery supports community organisations, charities and artistic events in the local neighbourhood.

FAIR. VODKA, GIN AND DARK RUM

Fair. uses quinoa and a proprietary production process to create spirits with nutritional content. Using quinoa creates the added benefit of being gluten free.

HOXTON GIN LONDON

Hoxton Gin London is produced at one of the world's leading micro distillers and is made using the finest ethically sourced ingredients.

HALF HITCH GIN CAMDEN

Reinvigorating Camden Lock's former gin glory. A unique choice of innovative techniques and botanicals create a gin that stands alone in taste and appearance.

PORTOBELLO ROAD GIN

It all started at no.171 Portobello Road, London. This gin is distilled using English-grown wheat, using nine botanical ingredients to create a uniquely versatile gin.

OCHO BLANCO TEQUILA

Ocho Tequila is a fine quality spirit which accentuates the authentic agaves flavour which creates a traditional tequila focused on style beer.

CHARITEA AND LEMONAID

These sustainable soft drinks are organic, vegan and every bottle sold donates 5 cents to the Lemonaid and Charitea Foundation.

CANO WATER

Sourced from the unrivalled Austrian springs, Cano Water is made from 68% recyclable content and can go from the recycling bin to store shelves within 60 days.
